Summer 2021 Program

Dear Parents,

We are excited about our six-week summer program. The dates are Tuesday, July 6th – Friday, August 13th. Our summer program will provide exciting new opportunities to practice essential skills and improve academic achievement. Studies have proven that summer programs improve academic success and prevent learning loss over summer vacation.

The morning portion of the program will include; math, reading, composition, and spelling. Our afternoon activities for 1st - 6th grades (1:00-3:00pm) include: Basketball, Volleyball, Soccer, Track, STEAM, Culinary Skills, and Arts and Crafts. See below for specific weeks.

We have discounted the first week since it is a four-day week; half day is \$145.00, full day is \$180.00.

If you are planning to sign up your child for summer school, we ask that you let us know prior to June 9th to secure a spot.

Sincerely,
Mrs. Carrion
Director
